FUN WITH BOTS, INC. Classroom Management Plan / Disciplinary Policy

Behavior Expectations:

- 1. Respect yourself.** Speak up to your partners to make sure you get your turn and that your ideas are heard and considered. Try to solve "the problem" yourself. If you can't solve the problem, ask an Instructor for assistance.
- 2. Respect others.** Always use kind and encouraging words. Keep hands, feet, and objects to yourself. Never disassemble other students' builds.
- 3. Respect the materials and classroom environment.** Treat all materials with care. No roughhousing. Never throw LEGOs. We are guests in the space. Leave it better than you found it. Never touch things that are not part of robotics class.

Consequence Ladder:

- 1st infraction.** Student is reminded of our Classroom Rules and redirected.
- 2nd infraction.** Student sits out from the group for reflection. Student returns to the group when the instructor is confident the student will not exhibit the behavior again. Discussion with parent either verbally at dismissal or by email.
- 3rd infraction.** Student is sent home for the day. Parent will be called to pick the child up early from class. Student may return to class the following day if scheduled. No prorated tuition will be refunded.
- 4th infraction.** Student is removed from the class roster for the duration of the current class. Depending upon the infraction, the Program Director may or may not allow the student to enroll in future classes. No prorated tuition will be refunded.

Zero Tolerance:

FunWithBots strives to provide an inclusive, safe, and nurturing environment for all students. To that end, all instructors are trained in positive redirection and utilize hierarchy of disciplinary actions to allow students an opportunity to self correct.

Student behavior that endangers the emotional and/or physical well being of another student or an instructor is considered Zero Tolerance. In such a case, the disciplinary action will jump directly to the 3rd or 4th infraction consequence outlined above, depending upon the severity of the behavior.
